PacifiCorp Comments of Central Relevance 10.23.13.pdf
north dakota _p regional haz.pdf

Cathy Woollums with PacifiCorp called me today to confirm my receipt of her email below. I called her back this afternoon and we talked about possible dates for a meeting where we could ask PacifiCorp to clarify some of their WY regional haze comments related to the Naughton and Dave Johnston plants.

We discussed the dates of 10/30, 10/31, 10/25, and 11/5 for a meeting. Cathy mentioned that she will be in Denver on 10/30 anyway for the 111(d) listening session. I do need to attend most of the listening session, but I think I could take an hour off for a meeting in the lunch or early afternoon timeframe.

I also mentioned to Cathy that we were exploring an extension of the 11/21 deadline because of the 17 day government shutdown.

I have not contacted the WY DEQ yet, but I plan to do so soon to also let them know about a possible extension.
